## **ABOUT THE COLLEGE**

**A warm welcome to the Swami Shamanad Education Society's Swami Shamanand Jr. College of Commerce, Ghatkopar (W).**

To fulfill the will of Swami Shamanand, the great initiatives and efforts taken by President, Founder of Swami Shamanad Education Society's Shikshanmaharshi Shri. P.M. Raut and his wife former CEO of Swami Shamanad Education Society late Smt. Vidya Raut established Swami Shamanand Jr. College in the year 2001.

By considering social scenario and need of the society, the Founder of Swami Shamanad Education Society had made available a new avenue for education to the needy, depressed and all.

By considering the significance of globalization to compete, to cope up with daily challenges of modern, digital and global economy, our College has introduced I.T. subject since the commencement of the college in the curriculum. At present majority of the students are availing an opportunity of digital education in our institute.

Since then our college has achieved many academic achievements. Our college's 12th standard board result has always been above 75%. This is achievable due to the support from our students, parents and our teaching staff.

As Mahatma Gandhi ji said, the concept of "Child centered education" means all round development (physical, psychological, social, scientific, moral, ethical, economical) of the child. Our college conducts curricular (various competitions like essay writing, handwriting, speech, debates, seminars, quiz competition, spelling competition, recitation competition,) as well as co-curricular activities (sports, annual gathering, Mehendi competition, best out of waste competition, dramas etc.) in order to explore hidden talents of the students. Our college is trying to inculcate values by providing a platform to shape, to mould the students in order to face real challenges of life.

Our students are enhancing and shining in the various fields, streams of career. Though our College is unaided and runs on rental basis, we are able to impart valuable education to the society with the due support of parents. Our College will always remain grateful to our parents and other donators.

Considering the current scenario and to avoid academic loss of our students, our college has started the online admission process.

Hence you all are requested to avail the benefit of this new system for future success.
